

## REMARKS

This Preliminary Amendment is being submitted to correct the English-language title of the application from the title of the application as translated and published in the international phase to the correct title as set forth on the English-language translation of the application transmitted to the United States Patent Office with the national papers on 13 May 2005 (13.05.05). It is requested that the Examiner consider the First Preliminary Amendment filed on 13 May 2005 (13.05.05) together with the Second Preliminary Amendment transmitted herewith prior to examination of the national application.

With the entry of the foregoing amendments, the application is believed to be in condition for examination and allowance. Consideration of the claims, leading to their allowance and passage of the application to issuance, is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "James K. Blodgett", is written over the typed name.
